

Ocean Week Shoreline Scavenger Hunt!

Instructions

- Get ready and gather everything you will need to participate in the scavenger hunt. **Maintain physical distance of 6 feet from other people encountered during your hunt.** We recommend completing this activity as **individuals**, however if necessary limit groups to under 5 including **adult supervision**.
- When you're ready, you can begin to walk the beach being **mindful** of your surroundings.
- Keep your eyes open for the many items that do not belong on the shoreline. **Put these items in a trash bag and remember not to pickup glass or other sharp objects.**
- Tally your totals, for each item you find you will receive **points!**
- BUT also keep your eyes open for things that belong on the beach, However, let's not pick these things up! **Let's just observe them.** We'll keep the natural things like seashells and seaweed on the beach and remove the unnatural items such as plastic bottles.
- Check the box for each corresponding wildlife and plants you observe. **To receive points for what belongs on the beach.**
- At the end of the day add up your points for a chance to win a prize. **Those with the most points win.**
